## Condensate drain ZANDER Typ ZA 2D

### mechanical float drain PN 12

air flow up to 200 m<sup>3</sup>/min\*

ZANDER art. code 1041 0000 0032

- no electrical wiring
- no power consumption
- no air-loss
- easy to install
- easy to operate
- standard manual drain and test valve
- incl. built-in air vent

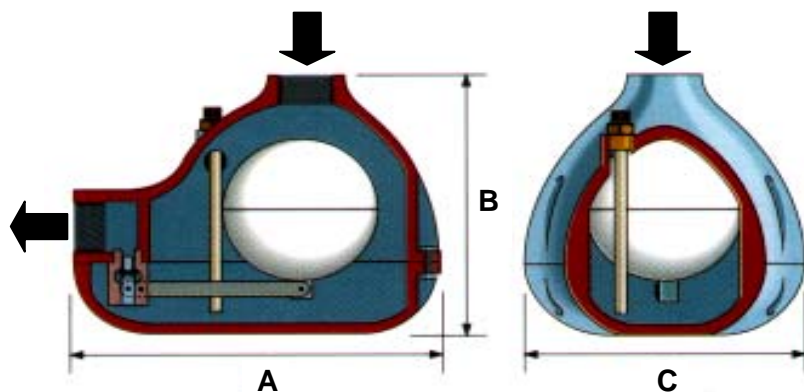

### materials

|             |                 |
|-------------|-----------------|
| housing     | aluminium       |
| float       | stainless steel |
| lever       | brass           |
| drain valve | brass           |

### dimensions

|            |        |
|------------|--------|
| depth (A)  | 200 mm |
| height (B) | 154 mm |
| width (C)  | 147 mm |

|             |        |
|-------------|--------|
| weight      | 1,9 kg |
| connections | G 1"i  |
| pressure    | PN 12  |

\* refers to 25°C ambient temperature, 65% rel. humidity, 7 barg working pressure, 35°C compressed air temperature
